## EXPERIENCE

### Motion Design Director

*SCAD PRO/FLUX | DEC 2021 - JAN 2022*

Directed a versatile team of motion and sound designers for the SCAD STARTUP branding package. During this process I developed a production timeline, created looping animation for social media page, designed the visual direction of the motion sequence, animated and composited within the motion piece as well.

### Freelance Motion Designer

*LIMERICK STUDIOS | SUMMER 2021*

Animated the studios logo animation to be used on their 2021 Demo Reel. I also created the visual concept for the animation and handled the sound design.

### Freelance Motion Designer

*VARSITY PARTNERS | SUMMER 2021*

As part of on going projects between Atrium Health and Varsity Partners, I animated the motion piece for Atrium Health's "Winning Moments"- formatted to be viewed on Bojangles Coliseum's jumbotron in Charlotte, NC during athletic events.
